Alamo Police Services Advisory Committee (formerly P2-B) Meeting Minutes Monday, June 3, 2013 150C Alamo Plaza, Alamo

The meeting was called to order at 5:05pm by Chair Joe Motta. In attendance were Joe Motta, Diane Barley, Joann Hirsch, Cesare Ciatti, Karen McPherson, Steve Nelson, Anne Struthers. A quorum was established.

Staff present: Donna Maxwell (Supervisor Andersen's office), Officer Pruitt and Deputy Mike Carson.

It was requested and approved to alter the order of the agenda to accommodate staff and reports.

CHP Officer Pruitt reported that there were no more complaints about parking near the bike trail by the south end of the Plaza. SWTR reports still needed so the Board can understand where the more accident prone areas are on Livorna, Stone Valley and Danville Blvd. Livorna Road traffic continues to be an issue, particularly during the school year, and it may need a light. Additionally, Wilson Rd. is a bit of a blind turn. Other options need to be explored, possibly the use of decoy cars, etc. He recommends we sit and watch traffic on east side of Livorna road when school starts up again. Board members were welcome to watch traffic with him.

Safety fair had poor signage, but had lots of good stuff going on. There was a disappointing turn out, but Officer Pruitt will check to see if it will be an annual event. Thanks to Officer Fransen for coordination.

Public comment:

June 19th AOB meeting was announced. Some APSAC members planned to attend.

Donna Maxwell explained that APSAC info was provided at the Valley fire station; Donna M. requested APSAC create a flyer and she will get it printed.

Minutes: Corrections: D. Barley was not on agenda and her name was spelled incorrectly. Diane Barley moved to accept minutes as corrected, seconded. Motion approved.

There was no Treasurer's report.

There was no Correspondence.

The Alamo Police Service Advisory Committee will provide reasonable accommodations for persons with disabilities planning to attend the meeting who contact Joe Motta at least 72 hours before the meeting, at (925) 602-3400.

Community Organization Reports:

Alamo Improvement Association: AIA Car Show in August.

Alamo Chamber of Commerce: Diane Barley reported that the Chamber mixer is not on the website for June, but they had a nice event for May.

(discussion began re: parking in the downtown Alamo area is better; but fire hydrant curb needs to be painted red on Stone Valley Road west. Ms. Maxwell stated this was part of the previously approved painting project and check to see if completed).

Steve Nelson spoke to the Brown Act having flexibility to address issues that are brought up with quorum present that are not on agenda- discussion ensued.

Clarification on the Brown Act was requested.

Alamo Rotary has some new members; they are working hard on Alamo Art and Wine Festival to be held in September. The scope is growing. Signage will be discussed with community organizations to determine who is responsible for what.

Alamo MAC: Anne reported that the MAC is waiting for recommendation from APSAC on traffic safety/calming. The MAC is hopeful they can have this recommendation for the August meeting.

The P5 is voting on participating in the San Ramon Valley Emergency Preparedness Citizen Corps Council at its June 12th meeting.

Deputy Carson presented the May, 2013 monthly report (incorporated by reference). Officer Carson will be in the community more during the summer. He distributed a flyer on the services provided to the community.

June 28th is the first summer concert; Officer Carson will not attend. Stickers will be available - Jr. Deputy; cost of \$350 for approx. 4000 stickers. (previously approved by committee)

FA* The Lidar Trailer has been ordered; delivery will take 30-45 days to receive. Signage to be determined after the trailer arrives. The new bike uniform has arrived.

FA* Carson will be more visible and do more enforcement first week of school. O/T will be requested. The scope of this programming will be developed by Officer Carson and will be added to the August agenda.

Officer Carson offered to have APSAC members ride with him to observe, but he/she will need a waiver to participate.

Hats shirts and water for volunteers all current. No new update.

Diane Barley wants t shirts or polo shirts for volunteers at the next Safety Fair. Badges or name tags should be available. This will be explored.

On next agenda:

Equipment dash mount lidar is dead.

Deputy Carson needs a pocket mounted camera. Motion: B.Nelson/ seconded.

Discussion ensued: Cost is between \$30-\$100. Motion carries unanimously.

FA* Officer Carson asked that we explore the cost of adapting the old car to be a decoy vehicle. This should also include cost of tinting windows of vehicle.

Diane Barley spoke of the Safety Fair and what we found we needed. Location could be explored for next year, also. Items needed include: equipment- we need a
